

281—41.9(256B,34CFR300) Consent.

41.9(1) *Obtaining consent.* “Consent” is obtained when all of the following conditions are satisfied:

- a.* The parent has been fully informed of all information relevant to the activity for which consent is sought, in his or her native language, or other mode of communication;
- b.* The parent understands and agrees in writing to the carrying out of the activity for which parental consent is sought, and the consent describes that activity and lists the records (if any) that will be released and to whom; and
- c.* The parent understands that the granting of consent is voluntary on the part of the parent and may be revoked at any time.

41.9(2) *When revocation of consent is effective.* If a parent revokes consent, that revocation is not retroactive (i.e., it does not negate an action that occurred after the consent was given and before the consent was revoked).
